ANNUAL MEETING OF STOCKHOLDERS

To Be Held on Thursday, May 16, 2024

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Generations Bancorp NY, Inc. (“Generations Bancorp”) to be used at the Annual Meeting of Stockholders, which will be held at our Corporate Headquarters located at 20 East Bayard Street, Seneca Falls, New York on Thursday, May 16, 2024 at 1:00 p.m., Eastern time, and all adjournments of the annual meeting. The accompanying Notice of Annual Meeting of Stockholders and this Proxy Statement are first being mailed to stockholders on or about April 12, 2024.

REVOCAION OF PROXIES

Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the annual meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of Generations Bancorp will be voted in accordance with the directions given thereon. **Please sign and return your proxy card in the postage paid envelope provided. Where no instructions are indicated on the proxy card, signed proxies will be voted “FOR” the election of the nominees for Directors named herein, and “FOR” the ratification of the appointment of Bonadio as our independent registered public accounting firm for the year ending December 31, 2024.**

Proxies may be revoked by sending written notice of revocation to the Corporate Secretary of Generations Bancorp at the address shown above, by filing a duly executed proxy bearing a later date on the enclosed proxy card or by voting in person at the annual meeting. The presence at the annual meeting of any stockholder who had given a proxy shall not revoke such proxy unless the stockholder delivers his or her ballot in person at the annual meeting or delivers a written revocation to our Corporate Secretary prior to the voting of such proxy.

If you are a stockholder whose shares are not registered in your name, you will need appropriate documentation from your record holder to vote in person at the annual meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS

Except as otherwise noted below, holders of record of the Company’s shares of common stock, par value \$0.01 per share, as of the close of business on April 1, 2024 are entitled to one vote for each share then held. As of April 1, 2024, there were 2,241,801 shares of common stock issued and outstanding.

In accordance with the provisions of the Company’s Articles of Incorporation, record holders of common stock who beneficially own in excess of 10% of the outstanding shares of common stock (the “Limit”) are not entitled to any vote with respect to the shares held in excess of the Limit. The Company’s Articles of Incorporation authorize the Board of Directors (i) to make all determinations necessary to implement and apply the Limit, including determining whether persons or entities are acting in concert, and (ii) to demand that any person who is reasonably believed to beneficially own stock in excess of the Limit supply information to the Company to enable the Board of Directors to implement and apply the Limit.

Quorum

The presence in person or by proxy of holders of a majority of the total number of outstanding shares of common stock entitled to vote is necessary to constitute a quorum at the annual meeting. Abstentions and broker non-votes will be counted for purposes of determining that a quorum is present. In the event there are not sufficient votes for a quorum, or to approve or ratify any matter being presented at the time of the annual meeting, the annual meeting may be adjourned in order to permit the further solicitation of proxies.

As to the election of Directors, the proxy card being provided by the Board of Directors enables a stockholder: (i) to vote FOR ALL nominees; (ii) to WITHHOLD for ALL nominees; or (iii) to vote FOR ALL EXCEPT one or more of the nominees. Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which the authority to vote for the nominees being proposed is withheld. Plurality means that individuals who receive the highest number of votes cast are elected, up to the maximum number of Directors to be elected at the annual meeting.

As to the ratification of the appointment of Bonadio as our independent registered public accounting firm for the year ending December 31, 2024, by checking the appropriate box, a stockholder may: (i) vote FOR the ratification; (ii) vote AGAINST the ratification; or (iii) ABSTAIN from voting on such ratification. The ratification of this matter shall be determined by a majority of the votes represented at the annual meeting and entitled to vote on the matter. Broker non-votes will not affect the outcome of the vote, and abstentions will have the same effect as votes against.

Participants in the Generations Bank Employee Stock Ownership Plan and 401(k) Plan

If you are a participant in the Generations Bank Employee Stock Ownership Plan (the “ESOP”) or a participant in the Generations Bank 401(k) Plan (the “401(k) Plan”) that holds shares of common stock in the 401(k) Plan, you will receive a vote authorization form that reflects all shares you may direct the trustee to vote on your behalf under the ESOP and/or 401(k) Plan. Under the terms of the ESOP and the 401(k) Plan, the ESOP trustee and the 401(k) Plan trustee votes all shares held by the ESOP and the 401(k) Plan, but each ESOP and 401(k) Plan participant may direct the trustee how to vote the shares of common stock allocated to his or her account. The ESOP trustee will vote all unallocated shares of Generations Bancorp common stock held by the ESOP and all allocated shares for which no voting instructions are received in the same proportion as shares for which it has received timely voting instructions and the 401(k) Plan trustee will vote all shares for which no voting instructions are received in the same proportion as shares for which it has received timely voting instructions. **The deadline for returning your voting instruction cards for the ESOP and the 401(k) Plan is May 9, 2024.**

Persons and groups who beneficially own in excess of 5% of the shares of common stock are required to file certain reports with the Securities and Exchange Commission regarding such ownership. PROPOSAL I—ELECTION OF DIRECTORS

Our Board of Directors is comprised of nine members. Our bylaws provide that Directors are divided into three classes as nearly equal in number as possible, with one class of Directors elected annually. Three Directors have been nominated for election at the annual meeting. The Board of Directors has nominated James E. Gardner, Bradford M. Jones, and Gerald Macaluso, each to serve as a Director for a three-year term ending in 2027 and in each case until their respective successors shall have been elected and qualified. All nominees have agreed to serve as a Director if elected.

The Board of Directors recommends a vote “FOR” each of the nominees listed in this Proxy Statement.

The table below sets forth certain information regarding the nominees, the other continuing members of our Board of Directors, and our executive officers who are not Directors, including the terms of office of board members. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to any nominee) will be voted at the annual meeting for the election of the proposed nominees. If a nominee is unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board of Directors may determine. At this time, the Board of Directors knows of no reason why any of the nominees might be unable to serve, if elected. Each of the nominees is a current Board member. There are no arrangements or understandings between any nominee or continuing Directors and any other person pursuant to which such nominee or continuing Directors was selected. Age information is as of April 1, 2024, and an individual’s service as a Director includes service with Generations Bank.

Board Leadership Structure and Risk Oversight

Our Board of Directors is chaired by Bradford M. Jones, who is an independent Director. We believe this ensures a greater role for the independent Directors in the oversight of Generations Bancorp and Generations Bank and active participation of the independent Directors in setting agendas and establishing priorities and procedures for the work of the Board.

To further assure effective independent oversight, the Board of Directors has adopted a number of governance practices, including:

- a majority of independent Directors;
- periodic meetings of the independent Directors; and
- annual performance evaluations of the President and Chief Executive Officer by the independent Directors.

The Board of Directors recognizes that, depending on the circumstances, other leadership models might be appropriate. Accordingly, the Board of Directors periodically reviews its leadership structure.

The Board of Directors is actively involved in oversight of risks that could affect Generations Bancorp. This oversight is conducted primarily through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board of Directors also satisfies this responsibility through reports by the committee chair of all board committees regarding the committees’ considerations and actions, through review of minutes of committee meetings and through regular reports directly from officers responsible for oversight of particular risks within Generations Bancorp. The Board of Directors of Generations Bank also has additional committees that conduct risk oversight. All committees are responsible for the establishment of policies that guide management and staff in the day-to-day operation of Generations Bancorp and Generations Bank such as lending, risk management, asset/liability management, investment management, and others.

Communications with the Board of Directors

Any stockholder who wishes to contact our Board of Directors or an individual Director may do so by writing to: Generations Bancorp 20 East Bayard Street, Seneca Falls, New York 13148, Attention: Board of Directors. The letter should indicate that the sender is a stockholder and, if shares are not held of record, should include appropriate evidence of stock ownership. Communications are reviewed by the Corporate Secretary and are then distributed to the Board of Directors or the individual Directors, as appropriate, depending on the facts and circumstances outlined in the communications received. The Corporate Secretary may attempt to handle an inquiry directly (for example, where it is a request for information about Generations Bancorp or it is a stock-related matter). The Corporate Secretary has the authority not to forward a communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal, or otherwise inappropriate. At each Board of Directors meeting, the Corporate Secretary shall present a summary of all communications received since the last meeting that were not forwarded and make those communications available to the Directors on request.

Meetings and Committees of the Board of Directors

The business of Generations Bancorp is conducted at regular and special meetings of the Board of Directors and its committees. In addition, the "independent" members of the Board of Directors (as defined in the listing standards of the Nasdaq Stock Market) meet in executive sessions. The standing committees of the Board of Directors of Generations Bancorp are the Audit Committee, the Nominating and Corporate Governance Committee, and the Compensation Committee.

During 2023, the Board of Directors of Generations Bancorp and Generations Bank held 12 regular meetings and one special meeting. No member of the Board of Directors or any committee thereof attended fewer than 75% of the aggregate of: (i) the total number of meetings of the Board of Directors (held during the period for which the Director has been a Director); and (ii) the total number of meetings held by all committees on which the Director served (during the periods that the Director served).

Audit Committee. The Audit Committee is comprised of Directors Aikman, Gardner, Jones, Pender, and Sinicropi, each of whom is “independent” in accordance with applicable Securities and Exchange Commission rules and Nasdaq listing standards. Mr. Sinicropi serves as chair of the Audit Committee. The Board of Directors has determined that Director Sinicropi qualifies as an “audit committee financial expert” as defined under applicable Securities and Exchange Commission rules.

Our Board of Directors has adopted a written charter for the Audit Committee, which is available on our website at www.generationsbancorpny.com. As more fully described in the Audit Committee Charter, the Audit Committee reviews the financial records and affairs of Generations Bancorp and monitors adherence in accounting and financial reporting to accounting principles generally accepted in the United States of America. The Audit Committee met six times during the year ended December 31, 2023.

Compensation Committee. The Compensation Committee is comprised of Directors Aikman, Jones, Macaluso, and Nicchi. Director Jones serves as chair of the Compensation Committee. Each member is considered “independent” in accordance with applicable Securities and Exchange Commission rules and Nasdaq listing standards. The Compensation Committee met three times during the year ended December 31, 2023.

With regard to compensation matters, the Compensation Committee’s primary purposes are to discharge the Board’s responsibilities relating to the compensation of the Chief Executive Officer and other executive officers, to oversee Generations Bancorp’s compensation and incentive plans, policies and programs, and to oversee Generations Bancorp’s management development and succession plans for executive officers. The Chief Executive Officer will not be present during any committee deliberations or voting with respect to her compensation. The Compensation Committee may form and delegate authority and duties to subcommittees as it deems appropriate.

The Compensation Committee operates under a written charter which is available on our website at www.generationsbancorpny.com. This charter sets forth the responsibilities of the Compensation Committee and reflects the Compensation Committee’s commitment to create a compensation structure that encourages the achievement of long-range objectives and builds long-term value for our stockholders.

The Compensation Committee considers a number of factors in their decisions regarding executive compensation, including, but not limited to, the level of responsibility and performance of the individual executive officers, the overall performance of Generations Bancorp, and a peer group analysis of compensation paid at institutions of comparable size and complexity. The Compensation Committee also considers the recommendations of the President and Chief Executive Officer with respect to the compensation of executive officers other than the President and Chief Executive Officer.

The Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee consists of Directors Aikman, Jones, Macaluso, and Nicchi, each of whom is considered “independent” as defined in the Nasdaq corporate governance listing standards. Director Jones serves as the chairman of the Committee. The Board of Directors has adopted a written charter for the Committee. The Corporate Governance and Nominating Committee charter is posted on the Company website: www.generationsbancorpny.com. The Corporate Governance and Nominating Committee met three times during the year ended December 31, 2023.

The functions of the Corporate Governance and Nominating Committee include the following:

- to lead the search for individuals qualified to become members of the Board and to select Director nominees to be presented for stockholder approval;
- to review and monitor compliance with the requirements for board independence;
- to review the committee structure and make recommendations to the Board regarding committee membership; and

- to develop and recommend corporate governance guidelines to the Board of Directors for its approval.

The Corporate Governance and Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, or if the Committee or the Board decides not to re-nominate a member for re-election, or if the size of the Board is increased, the Committee would solicit suggestions for Director candidates from all Board members. In addition, the Committee is authorized by its charter to engage a third-party to assist in the identification of Director nominees. The Corporate Governance and Nominating Committee would seek to identify a candidate who at a minimum satisfies the following criteria:

- has personal and professional ethics and integrity;
- has had experiences and achievements that have given him or her the ability to exercise and develop good business judgment;
- is willing to devote the necessary time to the work of the Board and its committees, which includes being available for Board and committee meetings;
- is familiar with the communities in which the Company operates and/or is actively engaged in community activities;
- satisfies the Director qualifications set forth in the Company's bylaws;
- is involved in other activities or interests that do not create a conflict with his or her responsibilities to us and the Company's stockholders; and
- has the capacity and desire to represent the balanced, best interests of the Company's stockholders as a group, and not primarily a special interest group or constituency.

In addition, the Corporate Governance and Nominating Committee will also take into account whether a candidate satisfies the criteria for "independence" under the Nasdaq corporate governance listing standards and, if a nominee is sought for service on the Audit Committee, whether the candidate would satisfy the SEC's independence standards applicable to members of the Company's Audit Committee, the financial and accounting expertise of a candidate, including whether an individual qualifies as an Audit Committee financial expert.

The Board of Directors does not have a formal policy or specific guidelines regarding diversity among board members. However, the Board of Directors seeks members who represent a mix of backgrounds that will reflect the diversity of our stockholders, employees, and customers, and experiences that will enhance the quality of the Board of Directors' deliberations and decisions. As the holding company for a community bank, the Board of Directors also seeks Directors who can continue to strengthen Generations Bank's position in its community and can assist Generations Bank with business development through business and other community contacts.

Nominating Procedures.

The Board of Directors may consider qualified candidates for Directors suggested by our stockholders. Stockholders can suggest qualified candidates for Directors by writing to our Corporate Secretary at 20 East Bayard Street, Seneca Falls, New York 13148. The Board of Directors has adopted a procedure by which stockholders may recommend nominees to the Board of Directors. Stockholders who wish to recommend a nominee must write to Generations Bancorp's Corporate Secretary and such communication must include:

- A statement that the writer is a stockholder and is proposing a candidate for consideration by the Board of Directors;
- The name and address of the stockholder as they appear on Generations Bancorp's books, and of the beneficial owner, if any, on whose behalf the nomination is made;
- The class or series and number of shares of Generations Bancorp's capital stock that are owned beneficially or of record by such stockholder and such beneficial owner;
- A description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder;
- A representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the nominee named in the stockholder's notice;
- The name, age, personal and business address of the candidate, and the principal occupation or employment of the candidate;
- The candidate's written consent to serve as a Director;
- A statement of the candidate's business and educational experience and all other information relating to such person that would indicate such person's qualification to serve on Generations Bancorp's Board of Directors; and
- Such other information regarding the candidate or the stockholder as would be required to be included in Generations Bancorp's proxy statement pursuant to Securities and Exchange Commission Regulation 14A.

To be timely, the submission of a candidate for Director by a stockholder must be received by the Corporate Secretary at least 120 days prior to the anniversary date of the proxy statement relating to the preceding year's annual meeting of stockholders. If (i) less than 90 days' prior to public disclosure of the date of the meeting is given to stockholders and (ii) the date of the annual meeting is advanced more than 30 days prior to or delayed more than 30 days after the anniversary of the preceding year's annual meeting, a stockholder's submission of a candidate shall be timely if delivered or mailed to and received by the Corporate Secretary of Generations Bancorp no later than the 10th day following the day on which public disclosure (by press release issued through a nationally recognized news service, a document filed with the Securities and Exchange Commission, or on a website maintained by Generations Bancorp) of the date of the annual meeting is first made.

Submissions that are received and that satisfy the above requirements are forwarded to the Board of Directors for further review and consideration, using the same criteria to evaluate the candidate as it uses for evaluating other candidates that it considers.

There is a difference between the recommendations of nominees by stockholders pursuant to this policy and a formal nomination (whether by proxy solicitation or in person at a meeting) by a stockholder. Stockholders have certain rights under applicable law with respect to nominations, and any such nominations must comply with applicable law and provisions of the bylaws of Generations Bancorp. See "Stockholder Proposals and Nominations."

Transactions with Certain Related Persons

Federal law generally prohibits publicly traded companies from making loans to their executive officers and Directors, but it contains a specific exemption from the prohibition for loans made by federally insured financial institutions, such as Generations Bank, to their executive officers and Directors in compliance with federal banking regulations. At December 31, 2023, all of our loans to Directors and executive officers were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to Generations Bank, and did not involve more than the normal risk of collectability or present other unfavorable features. These loans were performing according to their original repayment terms at December 31, 2023, and were made in compliance with federal banking regulations.

Employee, Officer, and Director Hedging

Our Insider Trading Policy generally prohibits, for all of our Directors and executive officers, and any other employee with access to material non-public information, the hedging of our stock and the pledging of our stock.

Assumptions used in the calculations of these amounts are included in Note 15 to our audited financial statements in our Annual Report on Form 10-K filed with the SEC on April 1, 2024. The actual realized value of the stock options, if any, will depend on the extent to which the market value of Generations Bancorp's common stock exceeds the exercise price of the stock options on the exercise date. Accordingly, there is no assurance that the realized value will be at or near the estimated value reflected in the table.

Benefit Plans and Agreements

Amended and Restated Employment Agreement with Angela M. Krezmer. In connection with Angela M. Krezmer's promotion to President, Chief Executive Officer, and Chief Financial Officer, Generations Bank entered into an amended and restated employment agreement with Angela M. Krezmer effective December 18, 2023. Commencing on the first anniversary of the agreement and on each subsequent anniversary thereafter, the agreement will be renewed for an additional year so that the remaining term will be three years for the agreement, unless a notice is provided to the executive that the agreement will not renew.

The current base salary for Ms. Krezmer is \$275,000. The Executive's base salary will be reviewed at least annually to determine whether an increase is appropriate. In addition to base salary, the Executive is entitled to participate in bonus and incentive programs and benefit plans available to management employees and will be reimbursed for all reasonable travel and other business expenses incurred in the performance of her duties.

The Bank may terminate the Executive's employment for "cause" (as defined in the Agreement) at any time, in which event the Executive would have no right to receive compensation or other benefits for any period after termination

of employment. Certain events resulting in the Executive's termination or resignation entitle the Executive to payments of severance benefits following termination of employment. In the event of the Executive's involuntary termination for reasons other than for cause, disability or retirement, or in the event the Executive resigns for "good reason" (as defined in the Agreement), then the Executive would be entitled to a severance payment in the form of a cash lump sum equal to one and one-half times the sum of (i) the highest annual base salary paid to Executive at any time under the Agreement, and (ii) the greater of (x) the average annual cash bonus paid to Executive with respect to the three (3) completed fiscal years prior to the event of termination, or (y) the cash bonus paid to the Executive with respect to the fiscal year ended prior to the event of termination. In addition, the Executive will receive, at no expense to the Executive, continued life insurance coverage and non-taxable medical and dental insurance coverage for 18 months, or if the coverage is not permitted by applicable law or if providing the benefits would subject the Bank to penalties, the Executive will receive a cash lump sum payment equal to the value of the benefits.

In the event of a change in control of the Bank or the Company, followed by Executive's involuntary termination other than for cause, disability or retirement, or resignation for one of the reasons set forth above, the Executive would be entitled to a severance payment in the form of a cash lump sum equal to three times the sum of (i) the highest rate of base salary paid to the Executive at any time under the Agreement, and (ii) the highest cash bonus paid to the Executive with respect to the three (3) completed fiscal years prior to the change of control. In addition, the Executive would become entitled, at no expense to the Executive, to the continuation of life insurance and non-taxable medical and dental coverage for thirty-six (36) months following her termination of employment, or if the coverage is not permitted by applicable law or if providing the benefits would subject the Bank to penalties, the Executive will receive a cash lump sum payment equal to the value of the benefits.

The Agreement also provides certain death and disability benefits.

Upon termination of the Executive's employment (other than following a change in control), the Executive will be subject to certain restrictions on her ability to compete or to solicit business or employees of the Bank and the Company for a period of one year following termination of employment. The Agreement also includes provisions protecting the Company's and Bank's confidential business information.

Employment Agreement with Anthony G. Cutrona. Generations Bank entered into an employment agreement with Chief Banking Officer Anthony G. Cutrona effective January 31, 2022. Commencing on the first anniversary of the agreement and on each subsequent anniversary thereafter, the agreement will be renewed for an additional year so that the remaining term will be two years for the agreement, unless a notice is provided to the executive that the agreement will not renew.

The current base salary for Mr. Cutrona is \$172,200. The Executive's base salary will be reviewed at least annually to determine whether an increase is appropriate. In addition to base salary, the Executive is entitled to participate in bonus and incentive programs and benefit plans available to management employees and will be reimbursed for all reasonable travel and other business expenses incurred in the performance of his duties.

The Bank may terminate the Executive's employment for "cause" (as defined in the Agreement) at any time, in which event the Executive would have no right to receive compensation or other benefits for any period after termination of employment. Certain events resulting in the Executive's termination or resignation entitle the Executive to payments of severance benefits following termination of employment. In the event of the Executive's involuntary termination for reasons other than for cause, disability or retirement, or in the event the Executive resigns for "good reason" (as defined in the Agreement), then the Executive would be entitled to a severance payment in the form of a cash lump sum equal to one and one-half times the sum of (i) the highest annual base salary paid to Executive at any time under the Agreement, and (ii) the greater of (x) the average annual cash bonus paid to Executive with respect to the three (3) completed fiscal years prior to the event of termination, or (y) the cash bonus paid to the Executive with respect to the fiscal year ended prior to the event of termination. In addition, the Executive will receive, at no expense to the Executive, continued life insurance coverage and non-taxable medical and dental insurance coverage for 18 months, or if the coverage is not permitted by applicable law or if providing the benefits would subject the Bank to penalties, the Executive will receive a cash lump sum payment equal to the value of the benefits.

In the event of a change in control of the Bank or the Company, followed by Executive's involuntary termination other than for cause, disability or retirement, or resignation for one of the reasons set forth above, the Executive would be entitled to a severance payment in the form of a cash lump sum equal to two times the sum of (i) the highest rate of base salary paid to the Executive at any time under the Agreement, and (ii) the highest cash bonus paid to the Executive with respect to the three (3) completed fiscal years prior to the change of control. In addition, the Executive would become entitled, at no expense to the Executive, to the continuation of life insurance and non-taxable medical and dental coverage for thirty-six (36) months following his termination of employment, or if the coverage is not permitted by applicable law or if providing the benefits would subject the Bank to penalties, the Executive will receive a cash lump sum payment equal to the value of the benefits.

The Agreement also provides certain death and disability benefits.

Upon termination of the Executive's employment (other than following a change in control), the Executive will be subject to certain restrictions on his ability to compete or to solicit business or employees of the Bank and the Company for a period of one year following termination of employment. The Agreement also includes provisions protecting the Company's and Bank's confidential business information.

Change in Control Agreement with Derek M. Dyson. Generations Bank entered into a change in control agreement with Derek M. Dyson in December 2023. The agreement provides that in the event of a change in control of the Company or the Bank, the executive will receive a severance payment, paid in a lump sum, equal to: (i) one and one-quarter (1.25) times the executive's base salary as of the date of a change in control, and (ii) one and one-quarter (1.25) times the highest rate of cash bonus awarded to executive during the prior three years. In addition, the executive will be entitled to continued medical and dental coverage for fifteen (15) months, at no cost to the executive. The severance benefit may be reduced if the severance benefits result in "excess parachute payments" under Section 280G of the Internal Revenue Code.

Employment Agreement with Menzo D. Case. Pursuant to the terms of Menzo D. Case's employment agreement, and as a result of his death on October 13, 2023, his beneficiaries will receive his base salary for one year from the date of his death, and medical, dental, and other insurance benefits will be provided to his dependents for one year.

Amended and Restated Directors Retirement Plan. Generations Bank sponsors a deferred compensation plan for Directors. Under the plan, eligible Directors may elect to defer receipt of all or a portion of their compensation by filing a written election with the plan administrator in the year prior to the year of deferral. Benefits under the plan commence upon the participant's separation from service as a Director, and may be paid in the form of a lump sum, or in quarterly or annual installments over a period of up to 10 years. Participants may elect separate distribution forms or schedules on a year by year basis with respect to compensation covered by deferral elections for such years. Additionally, Generations Bank will make an annual contribution to each participant's account each year (assuming the participant has not had a separation from service) ending the year in which the participant attains age 75. Such contribution is determined by the Board of Directors at the time the participant becomes eligible to participate in the plan. The plan is a nonqualified plan intended to comply with Section 409A of the Internal Revenue Code, and will be administered and construed in all respects in order to comply with such intent.

Supplemental Executive Retirement Plans. Pursuant to the terms of a supplemental executive retirement plan entered into by and between Generations Bank and Menzo D. Case, and as a result of his death on October 13, 2023, Mr. Case's beneficiary will be entitled to his account balance.

Generations Bank has entered into a supplemental executive retirement plan with Derek Dyson. Under the terms of the plan, Mr. Dyson is entitled to the value of his account balance upon termination of employment or death. Generations Bank credited Mr. Dyson's account balance \$19,000 as of December 31, 2023 and will make an additional contribution of \$2,300 in each subsequent year through December 31, 2055 to Mr. Dyson's plan account balance provided that Mr. Dyson is employed with Generations Bank on the date of such contribution. In the event of a change in control, Generations Bank shall make a contribution to Mr. Dyson's account in the amount equal to the present value of any remaining annual contributions. Mr. Dyson's account shall be distributed to the participant within thirty (30) days of the

date of the participant's separation from service in a lump sum, in accordance with the participant's election upon the participant's initial eligibility.

401(k) Plan. Generations Bank maintains the Generations Bank 401(k) Plan ("401(k) Plan"). Employees who have attained age 18 and completed 90 days of service are eligible to participate in the 401(k) Plan. Under the 401(k) Plan a participant may elect to defer, on a pre-tax basis or post-tax basis (via Roth), up to 100% of his or her salary in any plan year, subject to limits imposed by the Internal Revenue Code. For 2024, the salary deferral contribution limit is \$23,000, provided, however, that a participant over age 50 may contribute an additional \$7,500, for a total contribution of \$30,500. If a participant has completed 1,000 hours of service within a 12-month period, Generations Bank matches 25% of participant salary deferrals up to 15% of a participant's annual compensation. Generally, unless the participant elects otherwise, the participant's account balance will be distributed as a result of his or her termination of employment with Generations Bank. Each participant has an individual account under the 401(k) Plan and may direct the investment of his or her account among a variety of investment options.

Frozen Defined Benefit Pension Plans. Generations Bank maintains two defined benefit pension plans for eligible employees, both of which are frozen. The Generations Bank Pension Plan accrues benefits for eligible employees of Generations Bank that were hired prior to October 1, 2016 and The Retirement Plan of Medina Savings & Loan Association Pension Plan covers former eligible employees hired prior to June 1, 2018 of Medina Savings & Loan Association, which merged with Generations Bank in October 2018. At December 31, 2023, the accumulated benefit obligation for the Generations Bank Pension Plan and for The Retirement Plan of Medina Savings & Loan Association Pension Plan was \$8.5 million and \$2.4 million, respectively.

Employee Stock Ownership Plan. Generations Bank maintains an employee stock ownership plan ("ESOP"), a tax-qualified defined contribution retirement plan, for all eligible employees. Employees (age 21 and above) of Generations Bank who have been credited with 1,000 hours of service during a continuous 12-month period are eligible to participate in the ESOP. In January 2021, the ESOP purchased 109,450 shares of Generations Bancorp common stock sold in the mutual to stock second step offering and funded its stock purchase with a loan from Generations Bancorp equal to the aggregate purchase price of the common stock. The loan will be repaid principally through Generations Bank's contribution to the ESOP and dividends payable on common stock held by the ESOP over the anticipated 25-year term of the loan. The interest rate for the ESOP loan is fixed at a rate of 3.25%.

2022 Equity Incentive Plan. On May 19, 2022, the stockholders of Generations Bancorp approved the 2022 Equity Incentive Plan (the "Equity Plan") which provides for the grant of stock based awards to its Directors and executive officers of Generations Bancorp and Generations Bank. The Equity Plan authorizes the issuance or delivery of up to 206,860 shares of Generations Bancorp common stock pursuant to grants of restricted stock awards, incentive stock options, and non-qualified stock options; provided, however, that the maximum number of shares of stock that may be delivered pursuant to the exercise of the options is 147,757 (all of which may be granted as incentive stock options).

The Equity Plan is administered by members of the Compensation Committee who are "Disinterested Board Members" as defined in the Plan. The Compensation Committee has the authority and discretion to select the persons who will receive the awards; establish the terms and conditions relating to each award; adopt rules and regulations relating to the Equity Plan; and interpret the Equity Plan. The Equity Plan also permits the Compensation Committee to delegate all or any portion of its responsibilities and powers.

Our executive officers and outside directors are eligible to receive awards under the Equity Plan. Awards may be granted in a combination of restricted stock awards, incentive stock options, and non-qualified stock options. The exercise price of the stock options granted under the Equity Plan may not be less than the fair market value on the date the stock option is granted. Stock options are subject to vesting conditions and restrictions as determined by the Compensation Committee. Stock awards under the Equity Plan will be granted only in whole shares of common stock. All restricted stock and stock option grants will be subject to conditions established by the Compensation Committee that are set forth in the award agreement.
